

POST OP PROSTHETIC SOCK

Full Fashioned Post Op Prosthetic Sock

Designed for immediate post operative surgery. This sock has a seamless round toe, versus the tradition square toe, engineered for a more conforming fit for the post operative patient. (Please indicated ROLLED if this is desired)

See below for our easy add-on **OPTIONS**

BLACK—(Add “B” in front of product code) Ex: **(BRF3)**

SILVER—(Add “X” in front of product code) Ex: **(XRF3)**
